POPE FRANCIS ON CORPUS CHRISTI:

June 6, 2021

Catholic News Agency

"We need to enlarge our hearts. We need to break out of the small room of our ego and enter the vast expanse of wonder and adoration."

The pope lamented that this attitude of adoration was missing in "so many movements" in the Church.

"But if this is missing, if amazement and adoration are missing, there is no road that leads to the Lord. There will be no synod, nothing," he said.

"This is the attitude before the Eucharist, this is what we need: adoration. The Church too must be a large room. Not a small and closed circle, but a community with arms wide open, welcoming to all."
